The Carnival Careers format links cultural participation to paid business activity. Each city deploys only the components authorized and financed for that transaction.

02

LIVE EXPERIENCES

03

MEDIA + SPONSORS

Branded storytelling, music rights, audience offers, partner restaurants and licensed integrations.

EVERY FUNDING TYPE HAS ITS OWN AGREEMENT, ACCOUNT AND EVIDENCE GATES.

02 / CAPITAL CASE

THE ASK. THE CONTROL. THE OUTCOME.

Transaction sizes are indicated for counterparties to price and negotiate; unsigned cash flows and financing are not represented as commitments.

Proposed lead pilot package.

PILOT CATEGORY

C$25,000

Proposed local content and activation.

COMMUNITY SUPPORTER

03 / FUNDING ENGINE

SEPARATE EVERY DOLLAR.

Property purchase capital, commercial sponsorship, production costs and operating loans are different funding lanes. No duplicate proceeds are counted.

OPERATING CAPITAL

Actual sponsor, ticket, vendor and production obligations require an approved budget.

COMMERCIAL RECEIPTS

Only countersigned sponsor contracts, paid vendor fees and confirmed distributions support cash-flow coverage.

LIMITED LIABILITY

Production and event entities hold their own agreements, insurance and banking.

No real estate acquisitions or mortgages appear in this version. Equity, a loan and sponsorship are alternative or separately documented sources for an approved cash-flow plan; they are not automatically cumulative.

NO UNAUTHORIZED CROSS-PLEDGES

Entity formation, securities compliance, local property ownership, tax, investor governance and lender guarantees require professional review. Truthful beneficial-ownership reporting is mandatory.

07 / DECISION PACKAGE
